COMPLETE SERVICE FROM MEASUREMENT THROUGH TO FITTING

Letter from our Rector, Rev. Steve Stewart:

I've been reading and studying the Bible for well over 40 years now, and it has enriched my life beyond measure. One of the things I love about the Bible is that, quite simply, it tells us what God is like – and what God likes.

In the years before I picked up my Bible, I assumed a lot of things about God that turned out to be wrong. I thought for example that God was far too busy to be interested in me. I thought God was only there for my emergencies, rather than to prevent most of my emergencies! And I thought God was mostly interested in telling us off and preventing us from having fun. I couldn't have been more wrong.

So, as the saying goes, "imagine my surprise" when I picked up my Bible, began to read, and discovered things like "*God sets the lonely in families*" in Psalm 68:6, "*the LORD your God loves you*" from the book of Deuteronomy, and learning from the book of Revelation that God offers eternal life as a *free gift*! The Bible has got a lot of surprises – and the biggest one of all is perhaps that God loves us so much that he sent his son Jesus Christ, even when you and I were still sinners, to die so that by faith in him we might become God's children in eternity!

The season of Easter in the church is set aside to celebrate this wonderful "good news" as the Bible calls it. And to celebrate Easter, we are delighted to welcome you warmly to any and all of our Easter services:

- **Sun 2 April Palm Sunday 10am - Service of the Word at Christ Church**
- **Sun 2 April Palm Sunday 10am - Communion at St Mary's**
- **Sun 2 April Palm Sunday 10am - Service of the Word at St Peter & St Paul**
- **Thu 6 April Maundy Thursday 8pm - Whole Benefice Communion at
St Peter & St Paul**
- **Fri 7 April Good Friday 2pm - Whole Benefice Meditation at St Mary's
(with Bible Fun Club craft and games available for children in the Freeland
Village Hall, so parents and carers can attend the service).**
- **Sun 9 April Easter Day 10am - Easter Communion at Christ Church**
- **Sun 9 April Easter Day 10am - Easter Communion at St Mary's**
- **Sun 9 April Easter Day 10am - Easter Communion at St Peter & St Paul**

If you have any questions whatsoever about coming to church or exploring the Christian faith, please contact me at rector@hfchurch.org.uk

With much love in Christ Jesus,

Rev. Steve Stewart,
Rector, Hanborough and Freeland

FREELAND PARISH COUNCIL UPDATES

Botley West Solar Farm

As representatives of the Council we need to understand the views of the residents of Freeland. We encourage all residents to make their own personal views heard. Whether you are opposed or supportive of the Solar Farm, please email fayf.fpc@gmail.com

King's Coronation

The Parish Council is completely deluged at the moment with the proposed speculative housing developments in the village among other things. However, we did hold an open meeting on 3rd March, which was advertised in the Grapevine last month and on Facebook, to which a number of residents came to discuss how we improve sustainability and social opportunities in the village. While a number of great ideas were proposed, no one attending felt they had the capacity to help arrange anything for the Coronation. However, we would be very happy if Freeland could celebrate in some way, so have since asked around to see whether a group would be willing to organise a fun run, and have approached the pub to see what their plans are. Please email/contact Fay if you are willing to take these or any other ideas/proposals forward; requests for some funding could certainly be considered. Contact Fay on fayf.fpc@gmail.com or **01993 357851**. All our contact details are also on the Parish Council website www.freelandpc.org.uk - get in touch!

Inspired Villages

We've learned that Inspired Villages has lodged a High Court challenge against the dismissal of its appeal in January by the Planning Inspectorate. This was concerning its proposal to build 160 retirement units on the estate parklands west of Wroslyn Road.

A High Court challenge is a legal challenge to the appeal decision, and not a rerun of the merits of the planning arguments. A challenge must have legal grounds, such as claims that the Planning Inspector misapplied the law or policy, or failed to follow proper procedures. If the challenge is successful, the Planning Inspectorate will have to re-determine the original appeal.

The Planning Inspectorate has explained to us what happens next:

- Inspired Villages' claim will first be considered by the Judge based on written submissions.
- If permission is refused, Inspired Villages has the right to apply for an oral hearing. If permission is again refused, Inspired Villages can take this to the Court of Appeal. If the Court of Appeal also refuses permission for the case to proceed, there is no other route for Inspired Villages to take this forward.
- If permission is granted, the claim will proceed to a hearing, the outcome of which can be challenged by the losing party in the Court of Appeal. Claims can go all the way to the Supreme Court.
- Typically, there are a few months between each stage of the process, sometimes much longer.

Clearly, this is very disappointing news and it looks like this whole process might end up taking some time. We will keep you posted as and when we hear more. *Continued...*

Annual Parish Meeting

The date is now set for the Annual Parish Meeting on Friday 21st April. Some of the potential topics include: Salt Cross, First and Last Mile, update on the village working groups, Park and Ride, Spitfire Homes, Thames Water and Inspired Villages. All residents are strongly encouraged to attend and so help shape our community. Start time will be **7.30pm** and refreshments will be served.

Playpark

Please report any issues or incidents (should one unfortunately occur) to me at **fayf.fpc@gmail.com**

Community and Sustainability working groups

We wish to thank all those who attended the working groups meetings on 3rd March, aimed at improving and promoting **a) Sustainability**, and **b) Community and social opportunities** in Freeland.

Ideas currently being investigated include:

- Using **thermal imaging** to help Freeland householders reduce heat loss and improve energy efficiency
- Given the value placed on biodiversity in Chapel Field, increasing support for other **nature recovery opportunities** in Freeland
- Supporting **First and Last Mile** – how can we help more people benefit from the service?
- An alternating quarterly **Repair café** and **Swap Shop**, which could work in the village hall alongside the Farmers Market
- Reintroducing the **Freeland Cinema**
- Starting up a Freeland **Tuesday Club**, for lunch, board games, or just a chat...
- A **Business Breakfast** for those who run businesses from Freeland, work from home, and just fancy a monthly meet up!

If you like the sound of any of these, and think you could help make them happen, let please email me at **fayf.fpc@gmail.com** or call **01993 357851**. The Parish Council is willing to dedicate some time and potentially some finances to support these on an ongoing basis, but needs volunteers who are happy to share the load!

Fix My Street

We urge you to continue reporting pot holes on “Fix My Street” (**<https://fixmystreet.oxfordshire.gov.uk/>**). There you can report any issues to the County Council. Additionally, if you would like to become a ‘Super User’, which will help speed up the process of repairs, then email me at **fayf.fpc@gmail.com** for further details.

New bus route

From **Sunday 5th March**, the new Stagecoach **S7** service began running on the same route as the 233 used on the Witney to Woodstock section, and now on to Kidlington, Banbury Road into Oxford City Centre and the Rail Station. From that date the 233/4 now only goes from Witney to Buford. For more information see **www.stagecoachbus.com**

There is more information about the new services on **page 47**.

1st HANBOROUGH FREELAND SCOUTS GROUP

It's been another action-packed month here in Hanborough and Freeland.

Beavers soared to new heights by strapping on their harnesses and scaling the climbing walls at Oxford Brookes University. Everyone stepped up to the challenge and did brilliantly, even though those climbing walls look very tall and a bit scary!

Cubs had to postpone their night hikes due to the snow and unfavourable weather conditions in March but had fun with alternative activities in the village hall instead.

Scouts made pancakes during the week of Shrove Tuesday and have been learning about Scouting around the world. They are busy preparing for an indoor camp at Paccar campsite, in Buckinghamshire, for a weekend in late April.

Explorers went on an incredible 18 miles hike around our local area; what an amazing achievement! They also had a boxercise evening, where apparently they were bouncing around like kangaroos with boxing gloves on. Watch out...

A few of our volunteer leaders have decided to step down so we are in need of more help, please. Scouting really is an incredible opportunity for you to get involved in our community and make a real and valuable difference to the young people in Hanborough and Freeland.

The activities that we do stay with these children as they grow into teenagers and young adults; they form new friendships, experience new things that they otherwise would not have access to, and they learn a whole range of new skills that enrich their lives.

Step up, get involved, and be the adult that changes lives.

To join our wonderful Scouting community please contact Steve, our Group Scout Leader, via email gsl@hfscouting.org.uk to find out more.

FREELAND WI

At our March meeting we enjoyed a visit from Willow Crossley a renowned florist, author and designer. To quote her “*Flowers are my most favourite thing in the whole wide world.*” She is passionate about living life well, in balance with nature whilst embracing the seasons. Willow is a very busy mum of three boys and yet still manages to amass a client list including The Royal Family, Dior, Chanel, Ralph Lauren and Jo Malone. She originally trained as a fashion journalist but once she started working with flowers, she knew she had found her passion. She was extremely engaging, showing stunning photos of her impressive arrangements Members were keen to ask questions and pick up tips. We now know the secret to reviving wilting tulips!

We were delighted that fellow WI members from Long Hanborough, North Leigh and Eynsham were able to join us for this very enjoyable evening.

Our next meeting on **Monday 17th April** will be our Annual Meeting when we look back at this last year and forward to the year ahead. This meeting is a week later than usual, as the second Monday of the month is Easter Monday. As always there will be a social time and activity after the business part of the meeting, probably involving Prosecco!

This year we will continue to support the Witney food bank at our meetings; our donations being delivered by one of our members who volunteers there.

Freeland WI normally meet on the second Monday of the month in the Village Hall, starting at **7.45pm** and finishing around **10pm**. Our meetings usually consist of an activity or speaker, a raffle and refreshments. We always look forward to welcoming visitors and new members at our meetings. If you have been thinking about joining WI now could be the time to give us a try. We are a varied group with a wide range of interests; it's not all about jam and Jerusalem! One trait that unites us is that we are friendly and welcoming to visitors.

Please contact our secretary Rosie if you would like to discuss joining us for a trial session or to become a member. We would love you to join us.

THE UNACCEPTED FREELAND RAMBLERS **5/3/2023**

In all good fictional literature there are three main sections. A beginning that pulls you in and sets the scene. A middle section that immerses you in the story and characters. And an ending that compels you to read more..... sadly this has none of these things!

We had a letter from a Mrs Miggins, this started very abruptly asking "are you local?" I replied saying, it depends where you live; she then goes on to explain that she used to live in the village near Red City which her family always thought was possibly Swindon-owned on account of all the Robins nesting in an Airbnb nearby.

She also claimed that she read in an old edition of the Oxford Mail about a scuffle that happened outside the Masons Hands which was the original pub in the village and very closely linked to the Masons Arms in Nor Lye. The kerfuffle was over a missing stoat and bucket, now that would be a good name for a pub.

12 people and a dog joined us this month as we discussed French food after our first Ramblers Around The World meal, and stopped to eat some lovely coffee and marmalade cake (thank you Mark & Jo for this) and take in the great local scenery (not you, Dento!).

Next month's local Ramble will be on **Sunday 2nd April at 10am** from the bus shelter opposite the Yeoman. **All are welcome to join us.**

NORTH LEIGH HISTORY SOCIETY

Tuesday 4th April Marie-Lousie Kerr will be giving a talk on Oxford's Penicillin - the lost story of the development of Penicillin in the Second World War. The use of penicillin transformed survival rates from injuries and sepsis, and we still rely on it today with other anti-biotics to treat life-threatening conditions. Come and find out more about the early days of its discovery and application.

Tuesday 2nd May Easter Island's history Paul Barnett

We meet at **7.30pm** in North Leigh Memorial Hall **OX29 6SA**, members **£18** per year, visitors **£4** per talk. Further details are available from Diana Power **01993 882301** or Robert Kyte at **kyterobert@gmail.com** and **01993 880368**.

LITTLE FREE LIBRARY NEWS

Thank you as ever for all of your generous donations; the Little Free Library only exists because of your willingness to give and take books. It is a constant joy to witness the fast turnover of books, and to know that these stories are spreading through our community of bookworms.

As well as books, did you know that we also accept magazines? Various publications appear in the Little Free Library now and then, such as magazines about gardening, baking, fashion, music, films, cars, cycling and crafting, as well as children's comics and magazines such as The Beano, Lego, Storytime and more.

Magazines can be expensive, so if you have some at home that are still in great condition and not too out-of-date, please do donate them in the same way that you donate books, to give someone else the opportunity to enjoy them.

Happy reading!

FREELAND GARDENING CLUB

The meeting of the Club at the end of February was a talk entitled 'Medicinal Herbs' given by Caroline Sheldrick and what an interesting talk it was. She divided her talk into three parts.

1) Culinary Herbs.

The herbs can be used green or dried and steeped in oil, alcohol or warm water.

Thyme is anti-bacterial and anti-fungal because it affects tissues. Fennel seeds can soothe the digestion as in gripe-water. It also has minerals and vitamins. Hyssop is an expectorant and good to put on bruises. Mint has menthol so is good for colds and flu. It is also anti-bacterial and anti-fungal. Mint oils are good for digestive ulcers and coughing. Lavender is calming and good for burns. Sage is very strong so a little in warm water can be used to gargle.

2) Ornamental Plants.

Lemon Balm is anti-viral so rub leaves between hands and put on cold sores. Echinacea stimulates the nervous system and is also anti-bacterial and anti-viral. Good for tonsillitis and to use as a preventative before flying. Pot Marigolds dried flowers use for dry infections and is anti-viral. Elderflower cordial is good for colds and flu and is a mild laxative.

3) Wild Plants.

Dandelion tonic stimulates the liver and insulin production. Stinging Nettle early leaves are a mineral to use against eczema and kidney stones and hayfever. Comfrey knits bones and blood vessels after a break. Whether any of us will be brave enough to try some of these remedies remains to be seen!

The meeting on **Monday 27th March at 7.30pm** in Freeland Hall is a talk by a new speaker Joff Elphick entitled 'Crayfish on the Lawn'. What it is all about we will have to wait to find out!

The meeting on **Monday 24th April**, same time and place, is a Quiz and Raffle of Hampers. Items for the hampers can be left at Caroline Taylor's house on the corner of Broadmarsh Lane nearest the Church. Well stocked Hampers are raffled in aid of Club funds.

There is a Plant and Gardening Items Sale at all Hall meetings. Visitors and new members very welcome. For any further information about the Club please contact Terry Jones at **davidjones30@talktalk.net**

CYCLING/WALKING PATH ALONG LOWER ROAD IS BACK IN SALT CROSS AREA ACTION PLAN

I am delighted to report that following the recent public consultation, the government inspectors have brought back a requirement for a segregated cycling and walking path between Eynsham roundabout and Hanborough Station.

What does this mean in practice?

The inspector clarified that (verbatim): *“For the part of the cycleway and pedestrian link within the Salt Cross boundary will be delivered directly by the developers of the Salt Cross site.*

For the part of the cycleway and pedestrian link outside of the Salt Cross boundary will be delivered directly by Oxfordshire County Council Highways/Transport, but the developers have to make a financial contribution to this delivery in the Section 106 planning agreement”

The OCC Highways/Transport are working on achieving designs for this section.

This is a great result and we owe it to the many local residents, who responded passionately to the consultation and to all signatories of the petitions asking to improve travel conditions on Lower Road.

FREELAND CRICKET CLUB

Our winter training has started and we've had indoor coaching for the **Under 11s** and **Under 13s**, as well as nets for the **Under 15s** and **adults**.

Following my request in last month's Grapevine I am pleased to announce that Richard Tighe has offered to support us with coaching for the **Under 9s**.

However, because we have fewer coaches this year we will be reducing the number of teams that we enter into the **Under 11** and **Under 13** leagues. This means we will only play in the **Under 11 hardball** and **Under 13 11-a-side** competitions this season. If we get the opportunity and additional support we will be able to offer some **softball Under 11** matches later in the summer.

Outdoor coaching will start on **Monday 17th April at 6pm** for **Under 11s** and **Tuesday 18th at 6pm** for **Under 13s**.

Due to the reduction in coaches we will be restricting the sessions to a maximum of **18** children, and all sessions will be organised via the Club's **Spond** app.

Of course if we have more adults who volunteer to support the coaches we can expand the offer. Please contact me for further information.

This season there will also be a midweek **adult T20 team**, called the **Yeoman**, we are looking forward to seeing this expansion.

The next Cricket Club Quiz in the Yeoman will be held on **Wednesday 12th April at 8pm**.

FREELAND FOOTBALL CLUB

The **First** team have only had one game due to being well ahead of other teams in their fixtures, suffering a heavy defeat to Stonesfield. The fact that Chairman Simon Hole played in this game is not linked to the heavy defeat at all!

The **Reserves** have had a mixed bag of results, beating Brize Norton 3-1, scoring two fantastic goals in the process, then drawing 1-1 with Spartan and finally suffering a 2-0 defeat to Bampton. Current, they sit mid-table in 9th.

The **Under 16s** have lost two and won one game and currently sit 4th in the table.

Looking forward to next season, we hope to be fielding an **Under 10s** side (current school **year 5**), so if your son/daughter is interested please do get in touch. We will have some sessions running over the next couple of months.

Join us to hear about our Community Action Plan to reach Zero Carbon Emissions, at an open meeting at Eynsham Village Hall, Wednesday 26 April, 7.30pm.

Join Green TEA and members of Low Carbon Hub Project LEO (Local Energy Oxfordshire) *Smart and Fair Futures* team, to find out about the opportunities, how to get involved and the support available at an open meeting on **Wednesday 26th April 7.30 pm** at Eynsham Village Hall (small hall), Back Lane. Refreshments from **7pm**. Parking and EV chargers nearby.

Climate change, with the linked biodiversity crisis, is the most serious challenge we face. We hear a lot about reducing carbon emissions to 'net zero' by 2050 but we need to take radical action now and over the next few years if we are to keep a habitable planet.

It can seem a bit overwhelming but as part of Project LEO, a team from Low Carbon Hub and Green TEA have been working hard over the last few years on developing a local action plan for a clean, green future with zero carbon emissions and we are ready to tell you what we have found. If we make changes now - from saving energy, changing the way we travel and heat our buildings to producing our share of renewable energy - we can have an energy system that will be fairer to people and to the planet we rely on.

Who is the Community Action Plan for? The *Smart and Fair Futures* project has developed a Community Action Plan for Zero Carbon Energy for the area served by our local electricity substation. This includes all of Freeland parish (you are the only parish entirely in the project area!), most of Eynsham parish and parts of Hanborough, North Leigh, South Leigh, Cassington, Stanton Harcourt and Cumnor parishes. It was developed by the Low Carbon Hub with and GreenTEA, with help from West Oxfordshire District Council and some of our Parish Councillors. It is part of Project LEO (Local Energy Oxfordshire), a national innovation project. It is the first of its kind and will help other areas develop their own plans.

**Blenheim 7k, 7k + dog
4 miles with buggies and wheelchairs
1-mile junior run for under 15s
Blenheim Palace, Woodstock**

Run, jog or walk the spectacular grounds of World Heritage site Blenheim Palace in Woodstock. For fun and for fundraising for your favourite charity.

Four events to choose from, this is not your standard 5k or 10k run! The 7k route follows the trails and paths through the magnificent Palace including a beautiful lakeside before re-joining the main track which is followed by the 4-mile participants with wheelchairs and buggies.

The 4-mile route follows a similar course, missing out the off-road lakeside section to make it suitable for wheelchair and participants pushing buggies.

There is also a 1 mile run for Under 15s.

Bring the gang! The event is perfect for a group or workplace challenge. Bring a team of friends, family and work colleagues. In 2022 The Audley group brought a team of nearly 100 runners.

Participants can choose to run for fun or nominate the charity they would like to support. Charity partners this year include Oxfordshire Mind, include Oxford Health Charity, Maggie's Oxford, Sobell House, Unicorn, One-eighty, the Mulberry Bush school, Thames Valley Air Ambulance and SSNAP – the specialist unit at the John Radcliffe Hospital for sick newborn babies and their parents.

All events are chip timed. All finishers receive a medal and there will be trophies for the winners as well as for first team and a schools' challenge trophy.

ANIMALS INJURED ON THE ROAD

I'm sure we've all, at one time or another, come across the consequence of an animal coming into contact with a motor vehicle. Unfortunately, sometimes the animal can be left seriously injured and requiring attention. If you were to come across such a situation, how would you react? Would you know what to do? Who to call?

Well, some friends found themselves in just such a situation recently on Wroslyn Road with a Muntjac in distress and requiring urgent attention. Thoughts turned to what could be done to alleviate the animal of its suffering and they were eventually put in contact with **Tiggywinkles Wildlife Hospital** in Haddenham (**01844 290494 or 01844 292292**) which is a wildlife hospital dedicated to rescuing and rehabilitating all British wild animals. They are available to offer help and where necessary attend to animals in distress **24/7** which they did in this situation. In this particular incident by the time they arrived the Muntjac had succumbed to its injuries.

I'll be the first to admit that I'd never heard of Tiggywinkles Wildlife Hospital until this incident was brought to my attention, but I've now got their number on speed dial on my phone. Based just outside of Thame they have a Visitor Centre which is open all year round, check the website for exact times. For those of you who want to give a special present to any animal loving family members they also offer Wildlife Keeper Experience Days, virtual gifts and much more. They don't receive government or lottery funding sadly, so they rely on legacies and donations from the public and there are links on the website to various fund-raising schemes from simple donations to sponsoring animals to volunteering.

Thank you for reading.

FULL CLOSURE OF BOTLEY ROAD, OXFORD AT THE RAILWAY BRIDGE FROM TUESDAY 11th APRIL to end of OCTOBER 2023

As you may have read in the local press, as part of the associated works involved in replacing the railway bridge that goes over the Botley Road, beside Oxford Rail Station, there will be no access for any vehicles under the railway bridge in either direction. Access will only be available for pedestrians, wheelchairs and cyclists.

Eastbound buses on the Botley Road will drop off at the stop beside Osney Island and passengers will then need to walk the rest of the way to the Rail Station concourse or Frideswide Square for onwards transport.

The reverse will happen if you are intending to travel westwards along the Botley Road.

At the time of writing, neither Stagecoach nor Oxford Bus Company have clarified exactly how this will work.

Additionally, Oxford Rail Station will be closed to trains from **Saturday 29th July to Sunday 6th August** for track work and prep work for a new platform.

Further complete closures will be taking place between March and October 2024 for highway work, bridge demolition and replacement.

The next 'You Can Run' course starts on Weds 29th March at 6.45pm, at The Pavilion, Eynsham

WOODSTOCK & DISTRICT u3a (University of the 3rd age)

Emerging from COVID and its restrictions, Woodstock & District u3a looks to be back to business as usual – and with an increased membership. Although, sadly, our meeting of 2 March was hit by a last minute call from guest speaker Nick Brazil who, scheduled to talk about far off Chile and Easter Island, was stranded by transport problems nearer home.

With his talk labelled simply 'Hedgehogs' let's hope that our next guest speaker, Hugh Warwick, is in no danger of similar obstacles. Meeting starts **2pm** prompt, **Thursday 6th April**, St. Hugh's Centre, Hensington Road, Woodstock.

The following month sees the Branch's Annual General Meeting, **2pm Thursday 4th May**, same venue. Formal business to be transacted of course, but also another opportunity to meet u3a Committee members and others. And on **Thursday 1st June** should find journalist Tim Albert recounting his memories of 'A cub reporter on the Moors'.

As always, much of the work and interest of individual u3a members is tied up with one or more of our Interest Groups – eighteen of them, ranging from 'Art' to 'Walking' and meeting, some weekly, some monthly. Detail of Branch and Group activities at: <https://u3asites.org.uk/woodstock>
