Letter from our Rector, Rev. Steve Stewart:

Having just marked Remembrance Sunday in the churches of Hanborough and Freeland, we now look forward to the season of Advent, beginning on **Advent Sunday 27 November**. Advent is the period in the church calendar during which we mark not only the birth of Jesus Christ into the world, but anticipate his coming again – just as he promised time and again to his disciples.

2022 has been a turbulent year, from the war in Ukraine to rising energy bills, and from environmental issues to worries over food prices and mortgages. For many the dilemma as to whether to “heat or eat” has never been sharper.

But as Christians we believe and have experienced that into this turmoil of life, Jesus brings peace. Indeed, this is one of the great titles given to Jesus through the prophet Isaiah in a passage read so commonly at Christmas: “Prince of peace”. But he also bears the title “King of kings and Lord of lords”, and when he comes again and restores his order to creation, if we turn to him we will see great promise fulfilled, that *“He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away”* (Revelation 21:4). I pray God’s blessing of peace upon our whole community this Advent and Christmas.

And to celebrate Advent and Christmas, we are delighted to welcome you warmly to a range of additional, special services:

- **Sunday 11th December at 6pm - “Christmas Unwrapped” Carols at Christ Church**
- **Saturday 17th December at 5pm - Open Air Christmas Carols on Hurdeswell Green Long Hanborough with Nativity – shared with the Methodist Church**

- **Tuesday 20th December at 10am - Freeland School Carols at St Mary’s**

- **Saturday 24th December at 11:15pm - Midnight Communion at St Peter & St Paul**
- **Saturday 24th December at 11:30pm - Midnight Communion at St Mary’s**

FREELAND PARISH COUNCIL UPDATES

Inspired Villages update

The planning inquiry into West Oxfordshire District Council's refusal of a proposal to build 160 retirement homes on land in the grounds of Freeland House started on the 8th November. Although it was supposed to conclude on Friday 11th November, an extra two days have been scheduled as proceedings are taking longer than intended. Part of the reason for this is the amount of evidence being presented by both appellant (Inspired Villages) and the Council.

Freeland Parish Council and Freeland Friends have joined the process as what is known as a Rule 6 party, which means we are also giving evidence against the proposal and supporting the refusal, although our participation is far more limited in scope than either of the main parties. Nonetheless, it has been made clear that local views are important, hence - given the strength of feeling within the village against this development - we are presenting our case on grounds of Landscape, Design, Heritage, Need, Viability and Planning considerations.

The proceedings have been in person in the Council offices at Woodgreen in Witney, although there was a site visit on the Friday morning, where the proposed location for the development was toured by the inspector and representatives from each party. The inspector also visited the site on her own earlier in the week, and walked through the permissive access routes and around the village so she could get an idea of the context of the setting and the village.

The two extra days that have been scheduled will be virtual (online), and are on Friday 18th November and Monday 28th November. It is unknown when the inspector will rule, but as she originally planned to release her decision in the second week of December, we hope there may be a decision before the end of the year.

The efforts of Freeland to fight what almost all villagers seem to view as a wholly inappropriate proposal, and have the appeal dismissed, are being managed by planning consultant Mike Gilbert, who lives in the village and is co-ordinating our efforts as well as giving most of the evidence. Amy Jackson is also giving evidence, and Roger Faulkner is delivering the opening and closing statements. A number of different people have been of enormous help in the village, whether carrying out research, inputting ideas, turning up to the inquiry, or just being generally encouraging and supportive!

We will keep you posted on progress. Whatever the eventual outcome of this appeal, it's important we feel we've done what we can to fight it.

On the first day of the Inquiry a scarf was left on one of the seats. If this belongs to you please get in contact with me.

New constituency boundary

Changes to the boundary constituency have been made for the next general election. Freeland will have a new MP and be part of the Bicester and Woodstock constituency.

Apparently, the developers very much need to understand **ALL** the concerns and reservations of local residents, as they must to show they have made significant efforts to consult and have done what they can to address material concerns. This includes **ANY concerns at all** over specific areas of visual impact affecting the character of the countryside and so on. They say any comment made via the online feedback form or through the post, on a feedback form at events or via **info@botleywest.co.uk**, will be recorded by the communications team and will be read by the planning and design team.

It's also worth knowing the process is different for this project from, say, housing developments. West Oxfordshire DC, Vale of White Horse DC, Cherwell DC and Oxfordshire CC are consultees in this, not decision-makers. When ready, the 'Development Consent Order' (DCO) application for it to go ahead will be submitted direct to the Government's Planning Inspectorate (PINS). After conducting public hearings, PINS will make a recommendation to the Secretary of State for BEIS, which is currently the Rt Hon. Grant Shapps. The final decision rests with the Secretary of State. His decision can only be appealed on a point of law. If you have recorded an interest in this, you should be informed about the public hearings.

So please use this opportunity to understand what this project might mean for you and what the pros and cons might be, and make your voice heard if you want a say.

Thank you & Merry Christmas!

I would like to take this opportunity to say a personal thank you. 2022 has been a busy year with lots of challenges. I am fortunate enough to work with a fantastic group of people, all of whom voluntarily give up their time and work hard for the good of our wonderful village and have made my start at this job a lot easier.

I would also like to offer a word of thanks to you, our residents, for the support you give to our Councillors and parish as a whole.

As we look forward to 2023, I sincerely hope that brighter times are ahead, and so on behalf of Freeland Parish Council, may I wish you all a very Merry Christmas, and a happy and healthy New Year! Stay safe everyone!

1st HANBOROUGH FREELAND SCOUTS GROUP

As the end of 2022 approaches, let's look back over all the amazing things we have done this year...

Ready?

We have been camping, hiking, climbing, gliding, orienteering, and fishing. We've baked bread and cooked meals; lit fires and toasted marshmallows; tasted new foods; celebrated different cultural traditions; learned first aid, morse code, how to tie knots, and how to fix bike punctures. We've visited fire stations, police stations, synagogues, churches, Combe Mill and the local woods. We've tried forestry, astronomy, gardening, upcycling, badminton, swimming, pond-dipping, axe-throwing, and paddleboarding!

None of this would have been possible without our dedicated team of volunteers; we owe a massive Thank You to all of them.

All our groups (Beavers, Cubs, Scouts and Explorers) need more volunteers to keep them running. You can be that extra pair of hands that makes all the difference to young people in our villages. **Beavers and Cubs** meet on **Wednesdays**, whereas **Scouts and Explorers** meet on **Fridays**. Why not start off the new year by getting involved with something new?

Contact Steve, our Group Scout Leader, via email **gsl@hfscouting.org.uk** to start a conversation about how you can get involved. This is an amazing opportunity to contribute to our wonderful community.

We're going to end by paying tribute to one of our longest-serving volunteers ever, who is stepping back after an incredible thirty-six years with the group. Sue (also known as Eagle) has devoted countless hours to helping Beavers over the years and has seen generations of children become teenagers and adults. It is a truly remarkable achievement to have served Scouting for so long and she will be greatly missed. We love you Sue and our simple Thank You seems wholly inadequate for all that you have contributed. We'll miss you, and on behalf of every single Beaver that has ever been lucky enough to have experienced your kindness, encouragement, and support, we thank you.

Our dedicated Covid and Flu booking line closed on Monday 14th November 2022.

POPPY APPEAL 2022

Thank you so much to all residents of Freeland who donated to this worthy cause, together we managed to raise a fantastic **£1894.99** for the RBL Poppy Appeal. A special thank you to the organisers of the Farmers' Market for their support, Freeland Garden Centre for allowing a very popular static collection point, The Yeoman, Freeland House, and Freeland School for donations made by the children and staff.

I would also like to thank all the dedicated volunteers for their ongoing support, but this year three of our volunteers, Mavis and Ian Hale, and Julie Hurst completed their 35th year of collecting so deserve a very special mention.

On behalf of the volunteers, we look forward to seeing you all again next year.

FREELAND COMMUNITY BENEFIT SOCIETY - VILLAGE HUB PROJECT - UPDATE

All progress on the Hub Project is halted while we wait for WODC to rule on the Oxfordshire Methodist Circuit's application for permission to develop the Church as a dwelling. If permission is granted this will mean that it will be unlikely that we would be able to acquire it for Community use and will have to continue our search for suitable premises for the shop and cafe. If permission is not granted then we will seek to enter into negotiations with the Circuit regarding the future of the building.

Shops are only one of the many ventures that communities own and run as social enterprises – these include pubs, recreational facilities, power generation and even community housing. If you would like more information about the Hub project or have ideas for community initiatives that Freeland CBS might help with, please contact one of the Management Committee members (below) or email **freelandvillagehub@gmail.com**

SHARING WINTER WARMTH

How about recycling your Winter Fuel Payment if you don't need it?

The Government Winter Fuel Payment, which everyone who is eligible receives automatically in December, is not means-tested. Not everyone feels that they should receive it; but the payment could help someone else in real need.

Last year many Eynsham and Freeland residents generously donated their unwanted Winter Fuel payments either to the Eynsham Consolidated Charity to be 'recycled' to needy villagers to help meet their winter heating costs, or to the Bartholomew Educational Foundation, another village charity which supports villagers under the age of 25 with their educational needs and, in which, the requests for grants currently exceed the amount of money available to help.

So please do consider passing on your Winter Fuel Payment to either the Consolidated Charity or the Educational Foundation.

Payments may be made directly to the Charities' accounts:

Eynsham Consolidated Charity **sort code 09-01-51, a/c 25159404**

Bartholomew Educational Foundation **sort code 09-01-51, a/c 53159405**

The trustees thank all last year's donors, most of whom remain anonymous, having made their donations by bank transfer.

IMPORTANT. If you know of anyone in the villages of Eynsham and **Freeland** who may benefit from support with their winter heating costs, do please let the Clerk, Catherine Barton, know by emailing eynshamcharities@gmail.com. See **page 29** for more details.

THE UNACCEPTED FREELAND RAMBLERS 6/11/2022

Eight years we have rambled,
Over stiles and up the hill,
Having laughs and putting our world to rights,
There is no standing still,
Today we've had a change of tack,
We've gone a bit off piste,
With thanks to our Transporter, for getting us there safe.....

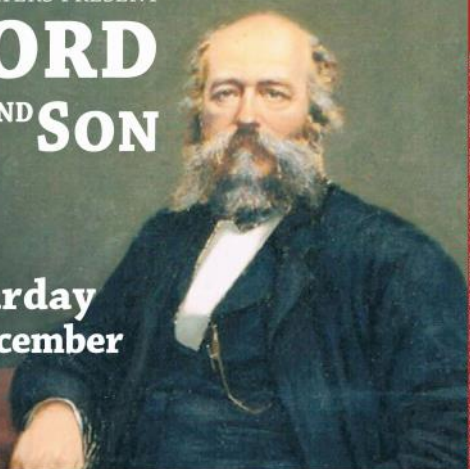

Ok enough of the bad rhymes. Yes you've guessed correctly, we have left the Shire, like Bilbo and the other three, we were on an adventure, and the only rings we saw were on a felled tree.

Twelve of us abandoned the relative comfort of our village to embark (see what I did there...bark....em....) on a trip to Batsford Arboretum, so today we saw acers, maples, cherries and liquidambar trees awash in red, gold, yellow and of course green. Timing was impeccable, just as we all arrived in the café for sustenance the heavens opened, after which we saw many a drowned rat appear, giving us a small crumb of smugness. Thank you to all who came along and stayed dry.
What lies a-forth us now (ie what happens next)?

Next month's circuitous Ramble is to the Combe Mill Christmas Market on **Sunday 4th December** from the bus shelter opposite the **Yeoman at 10am. All are welcome to join us, but it might be muddy!**

FREELAND DISTRICT GUIDING

The Rainbows, Brownies and Guides have had a very exciting few months. We had a district camp at Jubilee House, the Oxfordshire guiding centre. The girls enjoyed an assault course, crafts, Zumba, den building and camouflage as well as singing round the campfire, toasting marshmallows, ice cream from an ice cream van and very little sleep!

In meetings, the Rainbows and Brownies have been working on the camp badge, learning what to pack, lighting fires and keeping warm and communicate badge and also had a walk and quiz finishing with chips from the chip shop. We are off to see Matilda at the cinema in December via a trip on the Park and Ride bus.

The Guides have learnt to light fires and put up tents, explored our local environment and planted wild flowers.

This term they are taking action to tackle period poverty and mental health as well as looking at science and engineering careers. North Leigh Guides are going to see Mamma Mia early December.

We welcome new girls to all of our units and there is something for every girl to enjoy. All of units are accessible to everyone no matter what your abilities or needs are.

To register your daughter, please visit <https://www.girlguiding.org.uk/information-for-parents/register-your-daughter/>

We always welcome new helpers and it is rewarding and good fun. If you can spare an hour or two a week, to help girls grow and have amazing experiences, please email freelanddistrictguiding@btinternet.com

FREELAND GARDENING CLUB

There is no meeting of the Club in December, but as the Grapevine comes out before the end of the month, it's worth mentioning our meeting on **Monday 28th November at 7.30pm** in Freeland Hall again!

Mandy Bradshaw, who is new to the Club, is coming to tell us about 'The Four Seasons - Cotswold Style'. Maybe she will give us some suggestions of places worth visiting next summer. Subs at the increased rate of £20 a year will be due at this meeting and a programme card of the new year's events given on payment. Thanks to our programme Secretary June Counsell who took over the daunting task of organising a programme when Ray Evans moved to Witney. Plant and Garden Items Sale as usual.

Jobs for the end of the year include mulching beds to improve the soil, sweeping up leaves, particularly from areas where they may get slippery, and saving them pressed down in a container to make leaf mould in about 2 years time.

Continue feeding birds and giving them fresh water, clean the greenhouse and insulate it with bubble wrap if storing tender plants there over the winter. Check the greenhouse heater, if using it, but many plants can be grown safely in a cold greenhouse. Ventilate it on warmer days. Insulate outdoor taps and hoses. Clean tools and store any not used during winter.

Lift root vegetables and store in sand in a cool dry place. Cover brassicas to keep birds off. Mulch veg beds not in use. Divide rhubarb, chop the crown into pieces and replant pieces each with a bud and planted the same way up as before. Sew winter salads. Broad beans can be planted now for an earlier crop, preferably in modules in the greenhouse.

Visitors and new members very welcome at all meetings.

LITTLE FREE LIBRARY NEWS

It's finally that time of year: Christmas books will now be released onto the shelves!

Christmas books get donated throughout the year, so we save them up in storage, waiting until we get closer to December. There's a large assortment of cookbooks, children's Christmas picture books, adult fiction and Christmas-themed murder mysteries and romances, all of which you will find or as many as you like.

As always, you don't have to donate any books in order to take any, and you don't have to return them. If the donation boxes are full when you visit, please keep your books until next time, when there is likely to be more space.

Thank you for your support and generosity this year; the Little Free Library really would not exist without all the avid readers that we have in our community. It is truly mindboggling just how many books get given and taken throughout the year.

Thank you also to our dedicated volunteers who do such a great job keeping it all tidy and well-stocked: you are amazing!

Thanks from Matthew & the Little Free Library volunteers (Sue, Fi, Caroline and Jenny).

FREELAND FOOTBALL CLUB

The **Firsts** have had a good month, wining two and drawing one. The wins coming against Minster Lovell (3-1) and also beating Milton under Wychwood 3-1. The highlight being a 30 yard goal of the season contender from Adam Lonsdale, which Phil Panting described as “he would not believe it had he not seen it with his own eyes”. The month ended with a disappointing 1-0 defeat to local rivals Hanborough.

The **Reserves** have also had a good month, beating Faringdon 8-1, and receiving a walk over from Hatherop. Then unluckily losing to a last minute winner, going down 4-3 against Eynsham Sports Reserves. The final game saw us go down 6-5 in a thriller to Faringdon Reserves in the Cup.

The **Under 16s** have lost two and won one – the win beating SWIS 8-0.

Fixtures:

**Saturday 26th November - First Home to Charlbury
Reserves Away to Hatherop**

**Saturday 3rd December - Firsts Home to Minster Lovell
Reserves Away to Siege**

FREELAND WI

At our November meeting we were delighted to welcome back Amanda Belz, one of our most popular speakers. Amanda was head chef trainer on the hospitality course at Oxford Brookes and is also a village resident. Amanda and her daughter Hannah presented a wonderful festive cookery demonstration. They are a super double act, adding in extra little nuggets of information about foods, restaurants and their own cooking experiences.

They showed us how to prepare different types of 'sausage rolls' including vegetarian and game ones, red cabbage and the 'piece de resistance' a martini shot ice cream. Members and visitors were delighted that we were able to sample all the dishes and they were much enjoyed.

The Committee have now collated our programme for next year based on feedback from our members. We have an excellent range of activities and speakers planned so keep an eye out for our posters on the village notice boards. These will go up next month.

We continue to support the Witney food bank; our donations are delivered by one of our members who volunteers there.

Freeland WI normally meet on the second Monday of the month in the Village Hall, starting at **7.45pm** and finishing around **10pm**. Our meetings usually consist of an activity or speaker, a raffle and refreshments. We always look forward to welcoming visitors and new members at our meetings. If you have been thinking about joining WI now could be the time to give us a try. We are a varied group with a wide range of interests. One trait that unites us is that we are friendly and welcoming to visitors. Please contact our secretary Rosie if you would like to discuss joining us for a trial session or to become a member. We would love you to join us.

COMBE MILL CHRISTMAS MARKET

Sunday 4th December, 11am to 4pm

It is nearly that time of year again so why not come & share in the Christmas atmosphere, at the last fundraiser of the year for Combe Mill. There will be a range of stalls being run by local small business people, selling a whole selection of items to fill Christmas stockings or tummies!

Hot and cold food on offer from our BBQ and tea room, along with Mulled Wine, hot chestnuts and a never ending supply of tea/coffee/cake/mince pies. Our very own gift shop will be selling some items made by our blacksmiths - unique presents made with love and a bit of hard work on the anvils in our forge. You can always make a poker yourself - the perfect, hand forged present.

The raffle will have lovely prizes giving you something to look forward to in 2023 including a cash prize; tickets for Birdland, Hook Norton Brewery, Cotswold Motor Museum, Fairytail Farm; Blenheim Annual Pass; gifts from Little Ox Brewery, chocolates, wine and other goodies too numerous to list.

This year to get to Santa's grotto, our younger visitors can walk through Santa's workshop, listen to a seasonal story and receive a gift. The cost for this magical and unique experience is just **£5** and you will need to go on to Combe Mill website to book a slot. **combemill.org**

We would like to put some magic back in to a traditional Christmas experience, for visitors of all ages and make some valuable income for the Mill. See you there!!
