City & Guilds

Letter from our Associate Rector, Rev. Mike Madden:

Dear Friends,

'He said to them: "It is not for you to know the times or dates the Father has set by his own authority." ⁸ But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.' (Acts 1:7-8)

I hesitate to call the green patch of land outside our back door a 'lawn' because in truth it is more weeds than grass, but it is green, and it is large enough to kick a ball around when the weather is fine. Despite being predominately made up of weeds it does need cutting every now and then. This usually starts with the first cut of the year in March or April, when I dust down our old petrol mower which pulls me up and down the lawn as I gently guide and push from behind.

One year the first cut of the year seemed harder than usual, the lawnmower felt like a dead weight. Nevertheless, I persevered and finished the job, despite being completely exhausted. Each time I cut the grass it seemed to get harder and harder, and I got more and more exhausted. In fact, cutting the grass became so exhausting I began to ask myself questions such as "Am I am getting too old to do this?" or "Am I ill and should I go and see the doctor?" A few weeks later when the lawn mower came back from its annual service, I found out that the belt that drove the wheels had been broken and that I had been literally pushing that heavy lawnmower up and down our garden for weeks in my own strength no wonder I found it exhausting. Once the drive belt had been fixed it was so much easier to cut the grass.

Just like I failed to realise that I was cutting my grass under my own power, it is all too easy for us a Christians to live lives without the power of the Holy Spirit. As Christians we can easily become disconnected from God's power for our lives. The Father does not want us to live the Christian life in our own strength, but rather in the power of the Holy Spirit as promised by Jesus in Acts 1:7-8 (see above quotation) and fulfilled on the day of Pentecost in Acts 2. While we cannot all benefit from an annual service like my lawnmower, it is good nevertheless to pause and ask the Lord "Is this something you have called me to do, if so am doing it in your power or in my own strength?"

As we move from Easter towards Pentecost, my prayer for each one of us is that the Holy Spirit would so fill each of us with the love, the grace, and the power of God, that we would overflow with God's love, grace and power to everyone around us.

Blessings,

Rev. Mike

CHRISTIAN AID WEEK, 14 - 20 MAY 2023

Soaring costs are affecting people here and around the world.

Families in Malawi are paying the price of this global crisis. Food, fuel, fertiliser and school fees have doubled in price in the last 12 months. And hard-working farmers are seeing their harvests fail as the climate crisis brings increasingly erratic weather.

The impact of the recent Cyclone Freddy in Malawi has been devastating. Floods have washed away crops, over 500,000 people have been displaced and hundreds have lost their lives. Donations made during this Week's appeal mean that Christian Aid can be there long after the flood waters recede, helping families build back.

Christian Aid also campaigns for climate justice, standing up for those worst affected by the climate crisis. It works with partners to support those affected by war, earthquakes and other disasters in many parts of the world, including Afghanistan, Ukraine, and Syria.

Christian Aid works with people of all faiths and none, to stand up for dignity, equality and justice.

How to donate: Online through our Freeland village e-envelope at <https://envelope.christianaid.org.uk/freeland-oxon> or this

Thank you for considering making a donation.

FREELAND PARISH COUNCIL UPDATES

Botley West Solar Farm

As representatives of the Council we need to understand the views of the residents of Freeland. We encourage all residents to make their own personal views heard. Whether you are opposed or supportive of the Solar Farm, please email **fayf.fpc@gmail.com**

Annual Parish Meeting

Thank you to all who attended. We hope you had a lovely evening. We aim to continue to provide the village with as much information as possible and to build a better community for the future.

Witney Town Charity

Due to the planning application by Spitfire Homes, Freeland Parish Council have been working with 'Friends of Freeland 2' to help protect our village against such speculative and inappropriate development. As well as submitting a detailed objection to the Local Planning Authority (who are expected to make a decision on 25th April) we have sent a letter to Witney Town Charity who are the land owners of the site. The letter addressed to the Trustees can be found on the Parish website **www.freelandpc.org.uk**

Working Groups

We wish to thank all those who attended the meetings to set up Community and Sustainability working groups. Anyone else wishing to help support the future of Freeland by joining either of these groups should email me on **fayf.fpc@gmail.com**. An update will be provided in next month's Grapevine.

Fix My Street

We urge you to continue reporting pot holes on "Fix My Street" (**<https://fixmystreet.oxfordshire.gov.uk/>**). There you can report any issues to the County Council. Additionally, if you would like to become a 'Super User', which will help speed up the process of repairs, then email me at **fayf.fpc@gmail.com** for further details.

Planning Applications

All planning applications can be viewed on the Parish Council website at **www.freelandpc.org.uk** (under Planning Tracker) or on the WODC website at **<https://publicaccess.westoxon.gov.uk/online-applications/>** You can also contact the Planning Team at WODC on **01993 861420** and view the documents at Woodgreen Council Offices.

SPITFIRE HOMES – update

Background

Many of you will be aware that Spitfire Homes has submitted a planning application to build 80 houses on Chapel Meadow on the corner of Wroslyn Road and Pigeon House Lane. You can find it on the WODC planning portal, reference **22/03356/FUL**.

This is an opportunistic proposal following the battle with Inspired Villages on the opposite side of Wroslyn Road. Because land for housing in the area is currently below the Government-required 5-year supply level, this Birmingham-based developer (Spitfire Homes) has submitted a proposal that would normally be immediately refused – but that now stands a chance of getting through.

Many of us are in favour of an affordable housing supply to meet local needs. New families would bring benefits to the pub, garden centre and village school, and would boost overall village vitality. But this is not the proposal to achieve that because of:

- Irrevocable harm to the village landscape and character through, for example, closing the sensitive gap between the main part of the village and The Green. Elimination of a green space much loved by residents and dog walkers
- Increase in population of 13% and in traffic of around 30%
- Impact on a sensitive, biodiverse site and the loss of a key wildlife corridor
- Poor quality design which completely disregards local character and heritage.
- Inadequacy of local infrastructure capacity for schooling, medical care and sewage treatment

Where are we now?

A new group has been formed in the village, rather unimaginatively named “Friends of Freeland Two” (FF2), to fight this. You may have received a flyer from this group and seen various posters around the village. The response to the FF2 campaign has been tremendous, with 184 independent objections submitted by village residents.

Freeland Parish Council (FPC) has also strongly objected to this application – their objection can be found on the FPC website **www.freelandpc.org.uk**.

The current owner of Chapel Meadow is Witney Town Charity, who sold a development option to Spitfire Homes several years ago. Both FPC and FF2 have now written to Witney Town Charity to point out the inappropriateness of Spitfire’s application, and to appeal to their social conscience. To date they have refused to engage. Needless to say, it is very disappointing to see a local charity supporting a damaging development in order to raise money for projects elsewhere.

So what happens now?

At the time of writing, we understand that the WODC planning officer has recommended that the application be refused. She will present this recommendation to the Uplands Area Planning Sub-Committee on **Tuesday 25th April**. At the hearing, FPC and FF2 will each make a 3-minute presentation to support this refusal, and Spitfire’s agent may make their pitch. The Planning Committee will then discuss the application, then vote on whether to approve or refuse it.

We sincerely hope the application will be refused, given the strength of opposition in the village.

But unfortunately, it won't stop there - Spitfire Homes have already said they will appeal. At this point we will need to consider how best to fight the proposal at the appeal stage.

You may be reading this issue of the Grapevine after the committee meeting has taken place. There will be a further update in the next issue.

What can you do?

You can still impact the outcome of this application in the following ways:

1. The Uplands Area Planning Sub-Committee is at 2pm on **Tuesday 25th April** at the Wood Green offices of WODC. This is a public meeting, so all are welcome to attend – please come and support if you have time!
2. Let us know if you are willing to help in the event the application is refused but Spitfire Homes insist on taking it to appeal – any offer however small would be most welcome! Contact FF2 via Steve Liddell at liddells@me.com.

Keep your fingers crossed everyone!

1st HANBOROUGH FREELAND SCOUTS GROUP

We're so proud to be celebrating the Coronation of HM King Charles III.

We're inspired by his lifetime of service to help other people and support our communities.

The Big Help Out on **Monday 8th May 2023** is a national day of celebrating volunteering and is the perfect opportunity for you to pledge to try volunteering with us.

It feels great to help others and it brings our communities in Hanborough and Freeland together, too. That's why we'd love you to try volunteering with us.

We provide inspiring, valuable and exciting activities for young people in Hanborough and Freeland, but we can't continue to do this without your support.

You don't need to be Bear Grylls to join Scouts. You don't even need to have been a Scout when you were younger – you just need a little time, a bit of enthusiasm and want to help give young people a brighter future.

Scouts helps young people speak up, step up and gain skills for life. If you don't fancy leading activities, we've got plenty of behind-the-scenes roles too, including on our Executive Committee. There's a place for everyone!

To join our wonderful Scouting team please contact Steve, our Group Scout Leader, via email gsl@hfscouting.org.uk or register your interest via one of these links: **scouts.org.uk/VolunteerWithScouts or hfscouting.org.uk/contact**

Get in touch, join us as a volunteer & experience the joy of Scouting in our community.

We can't continue to do this without you.

FREELAND FOOTBALL CLUB

This month, at the time of writing, the **First** team have played just the one game, losing 3-1 to local rivals Hanborough.

With their midweek fixtures now starting to come thick and fast the **Reserves** have suffered two narrow defeats, losing 2-1 to both Milton Reserves and Bampton.

The **Under 16s** are still challenging at the top of the league, sitting in 4th place.

We would like to thank everyone who came to the Family Fun Day on Easter Monday. We raised some money to fund matchday equipment for our new **Under 10s** team who will start next season. A big thanks to Darren at Protex for his generous donation too.

If your child is interested in playing for the **Under 10s** please do get in contact with our coach Emma (emmawylie54@hotmail.com or 07471 508 043). Your child will need to be in current school **Year 4**, ready to start as an **Under 10** next season.

We would also like to thank Freeland Parish Council for the donation of **£250** towards a set of new goals that are needed for the **Under 10s** side.

Another thank you goes to Local Councillor Liam Walker who has agreed to help us with **£1300** of funding towards a spiker so we can aid the drainage of the playing field. We are now awaiting the outcome of our FA grant application for the remainder of the funding.

Upcoming fixtures:

Firsts:

Wednesday 26th April - Home to Charlbury **18.30**

Reserves:

Tuesday 25th April - Away to ESSC **18.30**

Saturday 29th April - Home to Milton

Tuesday 2nd May - Home to Brize Norton **18.30**

Saturday 6th May - Away to Hailey

FREELAND CRICKET CLUB

We are almost at the start of the new cricket season, having completed our indoor coaching and training. We have set up our evenings for coaching and matches.

As stated in previous Grapevines, we have a reduced group of coaches this season, which has reduced the number of junior league teams we can field. However, this not impacting on our coaching offer to the children.

We have been lucky to recruit a new assistant coach, Ric Tighe, who will be able to support us with the **Under 11s** and **Under 9s**. We also have a couple of parents who will support some sessions. This is really important as cricket can be a dangerous sport, with heavy cricket bats and hard cricket balls, both of which travel at great speed.

This is the coaching and training timetable from **Monday 17th April**:

Monday 6 to 7.30pm - Under 11s

Tuesday 6 to 7.30pm - Under 13s

Wednesday 6 to 7.30pm - Under 15s, adult league team & women's softball

Friday 6 to 7pm - Women's hardball

From Friday 12th May, the Under 9s will start and run from 5.15 to 6pm.

The first matches start at the beginning of May, a full list is available on the Club's website: <https://freeland.play-cricket.com>

Generally, the **Under 15s** play matches on **Mondays**, the **Under 13s** on **Thursdays**, **Under 11s** on **Sunday mornings**, the **Cherwell League** team on **Saturday afternoon** and the **Women's hardball** team on **Sunday afternoons**.

The Women's hardball team has just secured sponsorship for their new playing tops, and the sponsor is a local flooring company, **Walker Flooring**.

The Parish Council has also provided the club with **£250** which will go towards the purchasing of a new bowling machine. I would like to thank the Parish Council for their continuing support of the Cricket Club.

The monthly quiz will continue on Wednesdays through the summer, starting at **8.30pm** to avoid clashing with coaching. The next quiz will be **Wednesday 10th May**.

THE UNACCEPTED FREELAND RAMBLERS **2/4/2023**

Five brave souls gathered opposite the Yeoman, as instructed, and awaited our guide and mentor. He had told us that he might be having to guide a thing called a football, also at a walking pace, on this day, but we weren't sure whether that was happening or not. Eventually we decided that if we borrowed some ideas from when he had previously guided a small group of rambles, everything would be fine.

It soon became apparent that there was considerably more mud and water than when this route was last explored by the UFR. Nevertheless the group pressed on with courage and determination and soon emerged onto a beautiful stretch of long wet grass, which usefully cleaned off all the mud on our boots. And so we continued over open fields, by still ponds and alongside woods with the promise of spectacular bluebells next month.

We found hard, dry ground and made our way back to the Yeoman - the right side of the road this time, all the way into the beer garden. We must have looked friendly enough as we were joined by passers-by.

Next month will almost definitely include bluebells. These rambles normally happen on the first Sunday of each month, but in May, on that weekend we shall be celebrating the coronation of King Charles III. So, next month's local Ramble (normally about 4 to 5 miles) will be on **Sunday 14th May at 10am** from the bus shelter opposite the Yeoman. **All are welcome to join us.**

News from the Bakehouse

The bakehouse in Freeland, in its current format, has now finished. However, while the bread stops, Friday morning Yeoman Café continues, so do come along for cakes, pastries, sausage rolls, and a chat.

We are currently considering the next phase for Knead Bakehouse and will be in touch when we have more news.

Thankfulness for support

The bakehouse was conceived before the pandemic, with equipment purchased in December 2019, operated throughout lockdowns, with collection from our porch on Blenheim Lane, and has a valued partnership with the pub resulting in the Friday morning Yeoman Café.

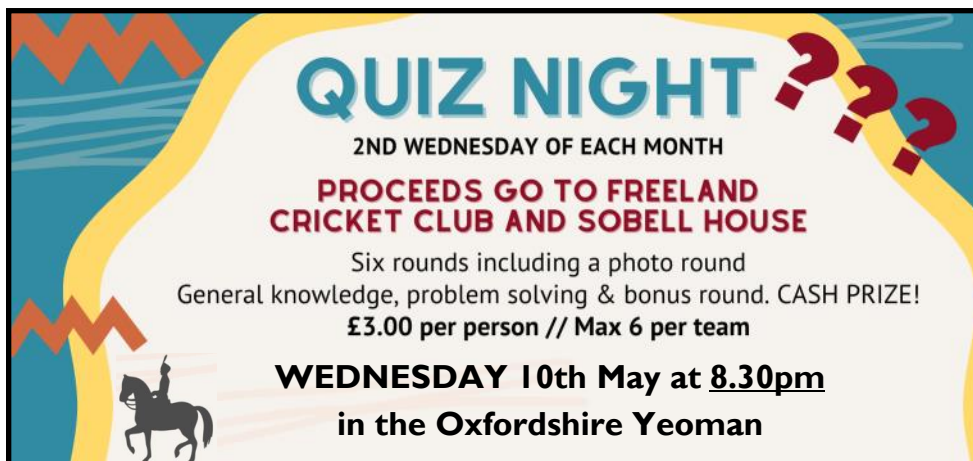

We are so thankful for the strong support we have been shown in Freeland and Hanborough, and to our friends and family.

to those who purchased every week,
to those who told a friend about us,
to those who shared a recipe, their life,
to those who prayed for this initiative,
to those who walk across the field to collect their bread,
to those who farmed and milled the grain,
to those who thought it all a dream,
to those who took our bread far and wide, Liverpool we hear,
to those fellow bakers who shared their time,
to those who didn't really get it,
to you all,
Thank You.

LITTLE FREE LIBRARY NEWS

Ever wondered how the Little Free Library movement began?

In 2009, Todd Bol, in Wisconsin, USA, built a model of a one room schoolhouse as a tribute to his mother (she was a teacher who loved to read). He filled it with books and put it on a post in his front garden; his neighbours and friends loved it, so he built several more and gave them away.

Rick Brooks (a friend of Todd's) saw his DIY project while they were discussing potential social enterprises, and together, they saw opportunities to achieve a variety of goals. They were inspired by community gift-sharing networks and "take a book, leave a book" collections in coffee shops and public spaces.

In 2010, the name "Little Free Library" was formally established, and the purpose of these Little Free Library book exchanges became clear: to share books and bring communities together. By 2022, there were over 150,000 Little Free Libraries registered all over the world!

Freeland's Little Free Library was launched in 2015, outside 138 Wroslyn Road, with the support of a grant from WODC. Later, in 2020, The Teddy Girls funded the refurbishment of the disused telephone box outside the village hall, in partnership with the Parish Council, which allowed us to expand the Little Free Library to accommodate more books and to keep up with demand.

Thank you for your continued support; the Little Free Library has been more successful than we ever expected. Special thanks also to our amazing team of volunteers: Sue, Jenny, Fi and Caroline, who do a brilliant job sorting books and keeping everything tidy.

FREELAND WI

Our meeting on Monday 17th April was our Annual Meeting which provided an opportunity to look back at this last year and forward to the year ahead. Reports were received from the President, committee and treasurer. It has been another very successful year for Freeland WI with our numbers increasing by 25%. We now have 41 members. After five years on the committee and three as President, Aileen decided it was time to pass the baton on to someone new and did not stand for re-election. The other current members of the committee were willing to stand again and are joined by Karen Scott Mills. Anne Marvin, an existing committee member, was elected as President. After the business part of the meeting, delicious refreshments were served, followed by a game of Beetle. Who knew there were so many different ways to score Beetle?

At our next meeting, which is on **Monday 15th May** due to the Bank Holiday, we will be making a beaded key ring or small item of jewellery. This will be led by Lorraine Pengilly, a very talented member of our WI.

This year we continue to support the Witney food bank at our meetings; our donations being delivered by one of our members who volunteers there.

Freeland WI normally meet on the second Monday of the month in the Village Hall, starting at **7.45pm** and finishing around **10pm**. Our meetings usually consist of an activity or speaker, a raffle and refreshments. We always look forward to welcoming visitors and new members at our meetings. If you have been thinking about joining WI now could be the time to give us a try. We are a varied group with a wide range of interests; it's not all about jam and Jerusalem! One trait that unites us is that we are friendly and welcoming to visitors.

Please contact our secretary Rosie if you would like to discuss joining us for a trial session or to become a member. We would love you to join us.

Information from earlier years is available on our website:

It was founded in April 1980 for anyone who would like to eat a meal in pleasant company. Please contact Carol Bower (**881930**) if you would like to join.

Dates for the rest of the year are: **17th May, 21st June, 19th July, 16th August, 20th September, 18th October, 15th November, and 20th December.**

OXFORDSHIRE ELECTRIC VEHICLE CAR CLUB PILOT LAUNCHES

An Oxfordshire-wide pilot of electric vehicle (EV) car clubs has begun, with fourteen new car club EVs being launched across Abingdon, Banbury, Bicester, Eynsham, Henley, Kidlington, Oxford, Thame, Witney, Wallingford and Wantage. These shared vehicles – operated by CoWheels, Enterprise CarClub and Thame EV Hire Club - will be available for people to use on a pay-per-use basis. This provides a convenient and affordable alternative to individual car ownership, also an opportunity for petrol and diesel drivers to try an EV without any long-term commitment.

Oxfordshire County Council has coordinated the pilot and facilitated the arrangements between participating councils, car club operators and chargepoint operators. The EV car club vehicles will mainly be based at Park and Charge hubs in District Council car parks, and Oxford City Council are also introducing a new EV car club based at the Energy SuperHub at Redbridge Park and Ride.

Whilst car clubs have seen great success within Oxford, little has been tested outside of the City. The aim of this pilot project is to demonstrate the demand for car clubs in more urban and rural areas and test the business models for non-city EV car clubs. The hope is that if successful this pilot will help inform future EV car club roll-out strategy for the County and pave the way for more EV car clubs across Oxfordshire in the future. Give them a try - join one of the new EV car clubs:

BRIDEWELL GARDENS OPEN DAYS 2023

Bridewell Gardens provides a mental health recovery service for West Oxfordshire, supporting people who have experienced severe and enduring mental illness. Bridewell is a creative and inspiring walled garden and vineyard where people can find hope in recovery, gardening and working with nature.

We look forward to sharing our beautiful gardens with you this year.

Bridewell's plant sale will be held on Saturday 29th April 10am to 1pm where you can browse a wide variety of perennial plants for sale in our stock bed avenue. Please note – the walled garden will not be open during the plant sale.

The walled garden and vineyard are open to the public for our Open Days: Sundays 21st May, 18th June, 16th July, 10th September 11am to 4pm

Pop-up café in the garden for tea and cake. High quality plants for sale, home produced jams and chutneys and our acclaimed organic sparkling wine. Make a day of it, bring a picnic blanket and relax in the vineyard with friends and family. Speak to Bridewell staff about the recovery service and the support provided at the gardens. Dogs on leads are very welcome. Families and children are encouraged to explore the site.

No booking required. Suggested donation **£5** per person. Charity No. **1158456**

FREELAND NATUREHOOD

Freeland Bat Walk

Two years ago in September, Steven Heath, Ecologist and member of the Oxford Bat Group, led an excellent bat walk here in Freeland. Using some very sophisticated bits of kit we were able to identify 7 of the 18 known bat species in Britain, all within a 45-minute walk from the Church to Broadmarsh Woods. We are looking to do the same this year. The walk will take place on **Saturday 13th May** (time to be determined). Limited number of places available (max 15). Please email with your interest and how many would like to attend. If popular we may do another this season so, please don't despair if you can't make it.

Regular meetings

We still have some verges in the village that have been selected to manage as wildflower sites. There has been some tree and hedge planting, litter picking, and some group surveys. We would like to continue managing these areas as a community, and even select other sites that could be managed for wildlife.

First meeting at The Yeoman on **Sunday 21st May at 6pm**. Everyone is welcome and any ideas gratefully received.

Contact Amanda at amanda.watson99@hotmail.com or Russell at nature_instead@outlook.com if you are interested but unable to attend.

FREELAND GARDENING CLUB

'Crayfish on the Lawn' was the title of Joff Elphick's talk to the Club at our March meeting. In fact his talk concluded with his tale of a large American crayfish discovered on their lawn. Where it had come from was a mystery, possibly dropped by a heron! The rest of his excellent talk was all about interesting things in nature he had witnessed or discovered. He obviously is a very observant person going out often in the early morning to photograph unusual sights, both small and large. He has another talk which we will book for a future meeting.

On **Monday 24th April at 7.30pm** in Freeland Hall we have a Quiz sent to us by Ray Evans, our dear friend who has moved to Witney. This will be followed by a Raffle of interesting food Hampers, the items they contain donated by members. Proceeds from the Hamper Sale will go to Club funds.

There will also be a Plant and Gardening Items Sale.

The May meeting of the Club will be a demonstration of 'How to plant your own Hanging Basket' given by a member of Freeland Nurseries. This will be on **Monday 22nd May at 7.30pm at Freeland Nurseries**.

Visitors at **£5** a meeting and new members very welcome.

For further information about the Club please contact Terry Jones on **01993 882129**.

CHURCH HANBOROUGH 20mph SPEED LIMIT

Drivers will have noticed that the speed limit through Church Hanborough has been recently reduced from 30 to **20mph**.

This follows a number of consultation exercises that found the majority of residents supported such a change to improve road safety through the village.

The Church Hanborough Speedwatch Group has monitored traffic speeds before and after the change. Although it is very early days their preliminary findings indicate that the speed of vehicles is decreasing. When the limit was 30mph speeds of up to 48mph were measured and this has now reduced to around 42mph. Before the 20mph limit was introduced around 25% of vehicles travelled above 35mph and now this figure is close to 17%. Hopefully as drivers become more aware of the speed limit change these figures will reduce even further, as will the number of vehicles exceeding the new reportable speed limit.

Members of the Church Hanborough Speedwatch Group

Increased driver awareness is crucial and so Hanborough Parish Council are considering the installation of a speed indication device to remind drivers on entry to Church Hanborough.

Don't let this be a wasted effort - please drive safe and keep others safe.

FREELAND WINE CLUB - FRIDAY 19th MAY **at 7.30pm in the VILLAGE HALL**

An evening with Toby Chiles dipWSET focusing on Food and Wine matching, exploring the effects of different foodstuffs when matched with the correct wines.

FREELAND WINE CLUB

The evening's purpose is to inspire you, and your own personal hosting skills, into what to select with certain wines. In a relaxed atmosphere with wines carefully selected to go with a variety of different food accompaniments, you will learn about how wines react with salty, spicy, fatty and sweet food items on your palate to bring out the best in your food and wine selections.

Toby, who has hosted for the Club four times before, has been in the wine trade since 2002. Anyone who has attended in the past will know that the evening will be a light hearted, entertaining, and informative guide to an area where we all try and impress guests coming to our homes for lunches and dinners.

Freeland and other local residents are very welcome. For details and to register for invites, please email **FreelandWineClub@gmail.com**

Wine Club dates for the rest of 2023 are: **Friday 28th July, Friday 29th September and Friday 24th November.**

PHOTO ID REQUIRED FOR ELECTIONS FROM 4th MAY

Residents in West Oxfordshire District will need to show photographic ID to vote in person at this year's local elections which are being held on **Thursday 4th May**.

Accepted forms of ID include a UK, European Economic Area (EEA) or Commonwealth passport; a UK, EEA or Commonwealth drivers' licence; and some concessionary travel passes, such as an older person's bus pass. Voters will be able to use expired ID if they are still recognisable from the photo and the name on the ID should be the same name as appears on the Electoral Register.

Anyone who does not have one of the accepted forms of ID will be able to apply for free ID online at **www.gov.uk/apply-for-photo-id-voter-authority-certificate** or by completing a paper form which is available from West Oxfordshire District Council at the Woodgreen office. If you need any help with applying for the free ID, or want to request an application form, contact the electoral services team on **01993 861410**.

More information is available on the West Oxfordshire District Council website (**www.westoxon.gov.uk**), including details of how to apply for the free ID. Anyone not able to visit the Council website, or apply for a Voter Authority Certificate online, is being encouraged to contact the Council as soon as possible and no later than the **5pm** deadline on **Wednesday 25 April**.

Anyone who wants to have their say in the elections this May must also be registered to vote. If you aren't already registered it only takes five minutes to register online at **www.gov.uk/register-to-vote**. Voters wishing to apply to their council for free ID should first make sure they are registered to vote.

The changes do not affect postal votes but do affect proxy voters who will be required to show their own valid ID when voting on behalf of someone else.

FREELAND TEDDY GIRLS

A huge thank you to all those who generously supported us at our latest Teddy Girls sale. We managed to raise **£300 in 2 hours! £150** is for Witney foodbank and the rest of the money is enough to purchase a 'No Parking' sign for the School.

A special thank you to Freeland Art Club who put on a superb display for us.

Finally a big thank you to Mr Webster at Freeland Nursery who very generously supplied all the plants and a raffle prize.

EYNESHAM MEDICAL GROUP - May Update

Spring Covid Booster Vaccinations

We will not be delivering the general patient Spring Booster campaign this year. This doesn't mean we won't be vaccinating from Long Hanborough again, it just means we are on hold until the Autumn.

All those registered to the Practice who are Housebound and/or in Care Homes will receive theirs from Community Nurses and other teams.

The NHS should contact you by post if you're eligible for a seasonal booster dose of the COVID-19 vaccine this spring.

- You may be offered a seasonal booster if you:
- are aged 75 or over (you need to have turned 75 on or before 30 June 2023)
- live in a care home for older adults
- are aged 5 or over and have a weakened immune system

To book a Covid-19 Booster Vaccination please call **119** or go to:

<https://www.nhs.uk/conditions/covid-19/covid-19-vaccination/getting-a-booster-dose-of-the-covid-19-vaccine/> for more information.

Additional Covid Vaccination Information:

If you're at increased risk from COVID-19 due to a medical condition but you do not have a weakened immune system, you're not able to get a further COVID-19 vaccination this Spring. You should still have some protection against severe COVID-19 from previous doses.

Appointment system

We have introduced a slight change to our appointment system. When you request an appointment, we are now able to text or email you a link to allow you to book an appointment online. We hope this makes the process easier and more convenient for you.

EMG Tri team's fundraising for the medical charity at the Blenheim Triathlon

Please support the charity by donating and do come and support us on the days! **<https://www.stewardship.org.uk/pages/blenheimtriathlon>**

Donating with Stewardship is really easy and completely secure. Your Staff at Eynsham Medical Group have got off our consulting chairs to team together and train for the Blenheim Triathlon on **June 3rd and 4th 2023**.

Our Teams, EMG Veterans (Ian, Melissa, Sarah), EMG Extremely Mediocre Gang (Emma, Katie, Victoria), and 2 individual athletes (Emma, Lorenz) are going to power their way through the lakes and grounds of the palace.

Eynsham and Long Hanborough Medical Care Group is our medical charity that provides services and equipment items for the local population that wouldn't normally be available on the NHS.

If you are a UK taxpayer, please confirm that you would like to reclaim Gift Aid on your donation. **This will add 25p to every £1 you give.** Thanks for visiting!

Many thanks for your support.

Regards, Dr Ian Binnian, GP partner and Research Lead - Eynsham Medical Group

WOODSTOCK & DISTRICT u3a (University of the 3rd age)

Woodstock u3a ['University of the 3rd Age'] Branch's April speaker meeting was again well attended, both at St Hugh's Centre in Woodstock and online. Our speaker, Hugh Warwick, captured his audience's attention with his talk on that almost universally loved small mammal, the hedgehog.

Our next meeting, on **Thursday 4th May at 2pm** (same venue) will be primarily concerned with the Branch's Annual General Meeting, although on past form there should be plenty of time for more general discussion and, (always a safe bet!) tea and biscuits: not a bad opportunity to come along and find out more about the Branch.

Thursday 1st June will then bring another guest speaker, Tim Albert, whose title 'A cub (reporter) on the Moors' hints at the far from cosy life of a junior journalist in strange territory. Then **Thursday 6th July** will feature a name familiar to many in this district, Liz Woolley, talking about 'Local history and 'how to do it'.

BLENHEIM PALACE

Clementine's on the Lawn

Opening April 2023 until Autumn 2023

Our brand new dining experience Clementine's on the Lawn is opening this month on the South Lawn of the Palace, providing magnificent views of the Palace whilst you dine for the very first time due to its conservatory glass structure. A range of delicious choices will be available from roast dinners and seafood platters to afternoon tea, making the perfect place for a special treat with friends and family. The citrus name pays homage to The Orangery restaurant, which is currently undergoing vital restoration work, as well as Clementine Churchill, wife of Sir Winston Churchill. After lunch why not take a stroll to the nearby Formal Gardens and discover where the wartime leader proposed to his wife at the Temple of Diana.

BLENHEIM

You may have noticed that our Lake Dredge has now been resumed after being paused for the past few months due to weather conditions. The dredging of Queen Pool first started back in April 2022, having not been carried out in over 100 years. Upon completion it will have removed 300,000 cubic metres of silt from our 'Capability' Brown designed lake – enough to fill Wembley Stadium. The dredge will return our lake to its original depth of two metres from its current shallows of 30cm. The walking loop around Queen Pool has once again been closed whilst the project is completed.

BLENHEIM ESTATE

As the new season unfolds, you will soon begin to see signs of spring appear in the Parkland and surrounding areas. We have already seen a sprinkling of snowdrops, a blossoming of bluebells and drifts of daffodils with a whole host of other seasonal flowers still to come. To add to the Easter picture we will also see lambs arriving on the Estate this month. As we exclusively lamb outdoors, we ask all visitors to please be mindful of walking their dogs in the Parkland. Keeping your dog on a lead is particularly important to ensure that our sheep are not attacked or chased in a way that may cause injury, suffering or miscarriage.
